

Welcome to the 2010 Prize Book

Presidents Message

I would like to thank our community and support groups for the success of our 2009 Petrolia Fair. Special thanks to our high school volunteers, as well as all the others whom help us out in any way.

You can feel proud of our success.

I would also like to invite the community to our 2010 fair to see a continued tradition of success. I hope all who attend, enjoy the value we try to bring to the Petrolia and Enniskillen community.

Also thanks to the members and donators who with our your time and valued donations it would be hard to have such continued success.

Thanks, Petrolia and Enniskillen Fair President
Pat Callaghan

2009 Fair Ambassador's Letter

When I was asked to submit a piece for the Fair book, I thought it would be a very easy thing to do. As I sit here, I realize it is not. So many wonderful things have happened since I was crowned the Petrolia and Enniskillen Fair Ambassador last August. I remember the night well, and am thankful that I entered. It has truly been an honour and a privilege to represent my area since then. I have met so many wonderful, giving people from our area and all over the province, people who also were chosen to represent their areas. They all feel the same pride that I do. Petrolia is an amazing community, filled with equally amazing people. So many people, who give their time to put on our Fall Fair. I didn't realize the amount of work that goes into the planning, setting up and running of our fair each year. Runner up Jonathan Krall worked tirelessly (as he does every year) doing what needed to be done without being asked as did his family. I want to thank the Krall family for all the help they given me and to Judy and Jon for the direction needed at times.

During the Fair weekend itself, I had the time of my life handing out ribbons, announcing wrestlers, riding in the parade and welcoming people to our fairgrounds. It certainly was a once in a lifetime experience for me. I will never forget the kindness shown to me by so many people.

We are so fortunate to have such a wonderful Fair. I have many stories that will be tucked away to share with my own children some day.

While, I now attend Trent University in Peterborough and am not home as much as I would like, I have earned the nickname "Petrolia" by my fencing coach because I talk about my hometown so much.

Thank you once again for the opportunity to be your Petrolia and Enniskillen Fair Ambassador 2009/ 2010. It sure has been a great ride!

Thank you, Jordan Hardy

DID YOU KNOW?

Contrary to what most people believe, the Petrolia & Enniskillen District Agricultural Society, consisting of over 125 volunteers, owns Greenwood Park & Morrison Field solely. Although sports groups and the general public have access to the facilities, Greenwood Park is privately owned. The Petrolia & Enniskillen District Agricultural Society also goes by the name of the Petrolia & Enniskillen Fairboard. The Society has a legal agreement & contract with the Town of Petrolia. The Town of Petrolia takes care of the grounds as well as the sporting events or renting out for usage of grounds. The society holds an agreement with the Petrolia Lions who maintain and care for all functions at their Greenwood Pavilion & Hall. Greenwood Palace is maintained & made available for functions only by the Society.

"Up, Up, and Away"

By Irvine Syer

Each entry to be written in ink

Stating name and age

"UP, UP, AND AWAY"

Up, up and away

Just look toward the sky

Sometimes, it's good to dream

This applies to you and I.

As we travel on life's journey

Challenges we'll have each day.

Just lift our thoughts to a higher plane

So it's up, up and away.

Always be kind and caring

In all we do and say

An example to the world we'll be

So it's up, up and away.

We need a laugh, a cry,

Need to shout hip hip hurray,

Fun and games can give a lift

So it's up, up and away.

These few words may stir the soul
Remember! We can pray.
A higher power is there for all
So it's up, up and away.

Remove spray or dust residue. Foliage should be naturally attached.

Where different varieties are shown in one class, such as roses by colour, one variety is not judged against another, but whether it is a better specimen of its variety than others of its own variety.
